ECO ADVENTURE, TRAINING, EXCITEMENT & RELAXATION

ADRENALINE WILDERNESS EXCURSION

## INFORMATION FOR BIRDERS

Just a short drive away from Pretoria, you will find an *adventurous haven* in the scenic *Advontuur* valley called **Buffalo Gorge**. We have the experience to offer our clients the best quality **life changing** get away. We give the participants exposure that will “broaden” their minds and better their lives. Technology rushes ahead and makes our lives easier and more convenient, but there are times when one wishes to escape the rat race and the sophistication of modern life. If you are one of those who wish to leave behind the PC, the cell phone and the fast pace of life then **Buffalo Gorge** is a **must**. **Over 80 species of Birds have already been identified on one weekend (list available)**. The buffelskloof farm (623ha) is 36km north of Middelburg. The area becomes more hilly and mountainous with some high cliffs, bushveld vegetation occurs as it drops from highveld to middelveld, providing diverse birding opportunities.

### Interesting Sites for Profile Bird Life

1. Donga: The white fronted Bee-eaters roosting in Donga
2. “Die voet van die WATER BERGE”: Black Eagles soaring over the mountains (AVONTUUR VALLEI) with rock formation
3. Wetland: Buffalo Gorge wetland is the heart of the farm. Support a range of specialized birds. Healthy wetlands, healthy people, fauna and flora.
4. Grassland: Long areas of mixed grassland.
5. Water: Seleons river, Bobejaan loop (spruit); 7 springs on farm, 7 dams in farm and wetland etc.

### Interesting variety of Bird species seen at Buffalo Gorge

Black Eagle  
Woodland King Fisher

White fronted Bee-eaters  
And much More

African Horrie Hawk (Gymnogene)
